

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy offering products which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their knowledge of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines ready and working daily is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cleaning expense. The service, the product and the price all work together to be able to make them the leader in the business.
