

Electrical Parts for Forklifts

Forklift Electrical Parts - Lift trucks may be specifically labeled to be used in dangerous places. A labeled truck denotes the design has met the least standards of ANSI/UL 558 intended for engine powered lift trucks or ANSI/UL 583 meant for electric lift trucks for the type of label placed.

The use for labels for lift forklifts could be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for more info regarding the permitted uses of industrial powered forklifts in your application.

If the forklift has been found to satisfy the outlined criteria, the following labels can be put. A labeled truck would have the model description located on the forklift nameplate and would have one of the following labels placed.
